

# CAMP WARE

## GEOCACHING COURSE

Camp Ware now has a geocaching course! This is a 10-part geocache. The first geocache coordinates are shown below. When you find the first geocache, you will find inside it the coordinates for the second, and so on, until you find all 10. For the safety of our scouts, these geocaches are NOT, and should NOT, be listed online. This course is only for Scouts and Scouters visiting Camp Ware. As with anything, be safe and HAVE FUN!!
